

## Cost of New Member Program

\$15	Annual Membership Dues
\$35	New Member Orientation and Classes 1, 2 and 3.
<hr/>	
\$50	Total cost at sign up*

### Additional costs:

\$13 Block of clay purchased at first class\*

Glaze costs vary @ .50 a lb. by piece

\*Form of payment: Check (payable to Clay Corner) or cash for membership and supplies.

Check only for special ongoing classes.

## Working at the Club

All members of the Clay Corner are committed to assisting each other as they work. Mentors are available during the day and at Happy Hours on Friday afternoons from 1 to 4PM.

No one is allowed to work in the facility alone (at least two members must be present at all times), so make sure there is a monitor scheduled when you plan to work.

Marinette administrators and maintenance can unlock the facility for you as long as there are two members.

# New Member Information Guide

*Everything you need to know to get started.*

*It's as easy as 1, 2, 3!*

### Club Winter Hours:

M-FR 8AM-9PM  
SA 9AM-5PM

## New Member Program

### Welcome!

We are so happy to have you join our Clay Corner Club! As a new member of the Clay Corner at Marinette Recreation Center, you will be able to create clay art to your heart's content once you complete the orientation and class program described here.

The orientation includes a comprehensive tour and instructions on your monitoring responsibilities.

All members are required to earn the right to glaze and fire their pieces by monitoring for two 4 hour sessions each month.

After your orientation, you will participate in three clay project classes and two glaze classes, each offering plenty of personal instruction (no more than six members per class).

After these classes are completed, you will be able to work on your own, and sign up for additional classes.

The road ahead may be challenging, but what you learn here will open new doors for artistic expression and friendship.

So how do you get started?  
**It's as easy as 1, 2, 3!**

### 1. Call the Monitor Coordinator

to schedule your first training session, the Monitoring Orientation Session.

The Monitor Coordinator's name is:

Contact information provided to members

### 2. The Class Coordinator will call you

to help plan your class schedule and sign up for your three clay project classes.

The Class Coordinator's name is:

Contact information provided to members

### 3. Plan and complete your orientation

using the schedule to the right. In addition, you will schedule two glaze classes. The glaze classes will be coordinated with the completion of your clay building projects.
